# ABOUT US

## VISION

To become the premier provider of quality training services through the efficient and effective delivery of industry relevant courses in a customer focused manner, using the most appropriate resources available thus empowering our customers' success.

## MISSION

To develop high quality and industry relevant programmes and to deliver these in the most effective and efficient ways, whilst promoting excellence in staff.

## OUR VALUES

EDUWEB College is an institution devoted to lifelong learning. As educators, we value:

- ✚ **Integrity**  
We trust that if we do the right things we will get the right results.
- ✚ **Innovation**  
Built upon entrepreneurial values, we believe that everything can be innovated.
- ✚ **Accountability and Transparency**  
We do what we say we will do.
- ✚ **Partner Relationships**  
We foster long- lasting, win-win relationships with a focus on the future.
- ✚ **Quality**  
We strive to do our best and aims to continuously improve.

# WHO WE ARE

Every business has an origin story worth telling, and it's usually one that justifies why you do business and have customers. At EDUWEB College our passion for lifelong learning is engrained holistically in our organisation's culture. We identify each stakeholder as a valuable piece of our story, our purpose, and why we exist.

After nine (9) years of serving our community, our nation, and our fellow Caribbean citizens, we have honed our vision for the future to include sustainable development goals, with "best value" education as our top priority.

## OUR HISTORY

EDUWEB College was founded in 2015 with the specific goal of providing our stakeholders with the best value for their education dollar.

We identified a need for quality tuition for CXC and Digital Literacy courses for students of any age.

What began as an endeavor to simply provide education has evolved into a passion to enable people to become adaptable and resilient in a world that is changing quickly.

# OUR SERVICES

Over the last nine (9) years, we have built a network of high-quality global partners and specialist organisations to offer internationally recognised qualifications.

## International Certification of Digital Literacy (ICDL)

**ICDL foundation is a global influencer in digital literacy. Its mission is to enable proficient use of Information and Communication Technology (ICT) that empowers individuals, organisations and society, through the development, promotion, and delivery of quality certification programmes throughout the world.**

ICDL is a modular, flexible certification. This modular approach means that whether you are an individual, academic institution or organisation you can select any number of ICDL modules, in any order, to suit your needs.

Eduweb College is an Accredited Test Centre (ATC) whose mission is to promote ICDL and provide support to other ATCs.
